

GIORDANO FIRM ATTORNEYS SELECTED AS NEW JERSEY *SUPER* LAWYERS

MIDDLETOWN, NJ – Giordano, Halleran & Ciesla announced today that ten attorneys of the firm representing eight practice areas are listed among the 2009 New Jersey *Super Lawyers*. In 2009, New Jersey *Super Lawyers* was based on a survey received from more than 30,000 attorneys across the state. Only the top 5 percent of New Jersey's attorneys were selected among the state's most elite.

The New Jersey *Super Lawyers* are selected through a four-part selection process, which includes a ballot and point system established by the publishers of *Law & Politics* magazine, and is followed by a panel review, interviews, independent research and a final selection process. Lawyers nominated are evaluated by evidence of peer recognition, professional achievement and service to the community as a lawyer, including pro bono work. Individuals named are chosen based entirely on the evaluation process and not on the basis of any paid consideration.

The following Giordano Firm attorneys were named to New Jersey's *Super Lawyers* in 2009:

John A. Aiello – Mergers & Acquisitions
Bernard J. Berry, Jr. – Business/Corporate
Michael J. Canning – Civil Litigation Defense
